

LocalLife

A NEW SPACE FOR ALL

The Warburton Community Space is a new **not-for-profit, low cost, community-led space** that is available for members of the Upper Yarra Community to use to further the sustainability and success of our community.

Run a group or class, have a meeting, plan an event, share ideas and skills, exchange produce or use the commercial kitchen, borrow a tool, access resources or just meet with a diverse range of townspeople – just some of the possibilities.

There will also be community gardens, outdoor performance spaces, car boot sales and a ready space for anything else our community needs that contributes to local life.

The Warburton Community Space

The Warburton Community Space will be run by volunteers for the community, and by the community.

The Warburton and Yarra Junction **Community Bank®** branches have provided initial funding for this much needed communal space, which was identified as a top priority in a township Community Forum.

Get involved! Lead, create, participate, be...
